GLUEFAST INTRODUCES GF 878U ADHESIVE

Water based adhesive for mounting posters/prints onto wood

The Gluefast Company is introducing an acid free, water-based adhesive for mounting posters, prints, photographs and other items onto various wooden surfaces. This adhesive can also be used to mount items onto foamcore, chipboard, matboard, and corrugated surfaces.

GF 878U is high in solids and offers excellent lay flat qualities. It is well suited for use in roll coaters such as those made by Gluefast. It is available for purchase in quarts, gallons, 5-gallon pails, and 55-gallon drums. This adhesive can be purchased right from Gluefast's web cart at www.gluefast.com/catalog.

The Gluefast Company has manufactured gluing equipment and adhesives for the packaging, converting, and graphics industries for more than 65 years! Gluefast can be found on the web at www.gluefast.com.

For further information please contact Lester Mallet by phone or e-mail: lmallet@gluefast.com. We would be happy to provide you with the above photo for your needs.
